TEACHER ADVISOR: JENNY BROWN

FOCUS FOR THE YEAR; RECYCLING

Throughout the year students would collect recycling in the mornings before school started. Our Goal was the recycle and reduce the amount of items thrown out. We started the year with learning the process of recycling, what can and can't be recycled and making signs educating our school of what can/can't be placed in the recycling bins.

IT WAS DISCUSSED AT ONE OF THE FIRST MEETINGS ABOUT RECYCLING PLASTIC BAGS. STUDENTS LEARNED THAT MOST PLACES PREFER YOU NOT TO PUT PLASTIC BAGS IN RECYCLING BINS SINCE THEY CAN MESS UP THE MACHINES. WE FOUND DIRECTIONS AND MADE CROCHET MATS OUT OF PLASTIC BAGS
